

Xpri Recycled is the new standard for coated offset sheets. Combining excellent print characteristics with sensible pricing, Xpri's enhanced surface and blue-white shade produce clean, accurate colors and sharp halftones. Xpri is the premium choice for printed jobs that require the absolute finest results without the premium price.

Available in gloss and velvet, Xpri is stocked in 70, 80, and 100 lb. text with matching cover in 80, 100, 111, and 130 lb. And 80 lb. velvet cover is a true 9 pt. caliper sheet. All sizes and weights are available in both packages and skids. Xpri contains 10% post-consumer waste and is both FSC® and ISO 14001 Environmental Certified.
